

CAD-CUT® & 3M™ Reflective Heat Transfer Materials

Staying safe and looking good.

GREAT FOR:

- Visibility for Safety Markets
- Trendy Looks
- Reflective Performance

Whether you're looking to keep your customers safe or deliver some eye catching designs, reflective heat transfer vinyl is right for you. Stahls' has an extensive line of reflective materials for every possible use.

No longer just for emergency and construction workers or athletes, reflective is trending on athleisure and streetwear. It's ideal for anyone who wants to stand out, even in the dark.

CAD-CUT® HI-VIS COLOR REFLECT

Retroreflective technology in the brightest colors available for markets from sportswear to fashion and more.

- Premium reflective beyond safety gray for a high-end, high value finished look.
- Create the same trending looks as big brands to meet customer demand.
