

# AFFORDABLE PERSONALIZATION

## PRE-CUT LETTERS & NUMBERS

### GREAT FOR:

- ▶ Personalization On-demand
- ▶ Team Uniform Sales
- ▶ Cost-effective Decoration

Pre-Cuts offer the most cost-effective numbering for sports uniforms and are available in the world's #1 athletic material, Thermo-FILM®, because it's durable and abrasion resistant. Pre-Cuts are the preferred decorating method for team sales and can be found in popular team colors and number styles for every sport.

- Easy entry into the sports uniform market, all you need is a heat press.
- No screens to burn or clean. No waste for vinyl cutter owners.

### PERSONALIZATION ON-DEMAND

Pre-Cut Letter & Numbers in local team colors are the easiest way to satisfy walk-in business.

- Immediate personalization of team uniforms, practice gear, and spirit wear.
- Pro-Block, Varsity, and Team US are the most popular fonts to keep in stock
- Personalize on-demand at events with just a heat press and Pre-Cuts.

### LOW COST, HIGH QUALITY

Pre-Cuts allow you to offer high quality STAHL'S® heat transfer vinyl to your customers at an affordable, high profit price. Individual pieces can be as low as 7¢ each, so personalizing with even one name is profitable.
